RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this division. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

NO DOGS ALLOWED ON GROUNDS

ENTRIES

MAKE YOUR ENTRIES EARLY!! The right is reserved and will be used to reject entries received after all available space is taken, even though this occurs before specified time for closing entries.

Official printed forms must be used in making application for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office number, or city street address, zip code, Social Security Number or Federal ID Number, and telephone number, including area code.

Indicate on the form the total number of animals you will exhibit and the total number of stall spaces or pens you will require, including those to be used for tack, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes. But it is not necessary to name the animals which will make up your group or herd until after judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent. All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bonafide owner, who must show official evidence of ownership of animal at least 30 days prior to showing. (See exceptions to this rule for group classes only in some departments.)

Each breed of livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 2010 N.C. State Fair Premium List.

FEES

Entry fees are required for all entries in the senior and open classes of the Livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Be sure to indicate on the form the total number of animals you will be bringing and pay for up to two (2) additional spaces for tack and feed. Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

Cattle - per head	\$5.00
Swine - per head	\$2.00
Sheep - per head	\$2.00
Cattle (pen of 3) Feeder Calves	\$7.00
Individual feeder Calf	\$5.00
Goats per head	\$5.00
No pen fees for Junior Entries	

HEALTH REGULATIONS

All health regulations will be strictly enforced, and decisions of the regulatory veterinarian concerning animal health status are final. No animals may be unloaded on the fairgrounds before being checked and approved by the regulatory veterinarian in charge. ALL LIVESTOCK WILL BE REQUIRED TO HAVE AN ENTRANCE HEALTH EXAMINATION AT TIME OF CHECK IN AS A PREREQUISITE FOR ENTRY ONTO THE FAIRGROUNDS. ANY ANIMAL NOT PASSING THIS EXAM WILL BE SET ASIDE FOR DISPOSITION BY THE SHOW VETERINARIAN. All entries shall be inspected prior to unloading between the hours of 7:00 a.m. and 10:00 p.m.

Animals will not be allowed to enter the barns until inspected and passed by health officials. An approval card will be issued after the ENTRANCE HEALTH EXAMINATION and will be required for animals to enter the barns.

Any and all animals not meeting the entry requirements and/or exhibiting any signs of disease or illness, may be refused entry, required to be isolated and/or required to be returned to the farm of origin. Any and all animals exhibiting any signs of disease or illness or found not to have met entry requirements after entry may be required to be isolated and/or returned to the farm of origin.

All animals must have a form of identification (ear tag, tattoo, ear notch, or microchip -readers must be supplied by owner) to enter the fairgrounds.

All sheep and goats must comply with USDA and NCDA&CS Scrapie Eradication Program guidelines. Sheep and goats without a scrapie tag, or a registration paper with corresponding tattoo information at the time of check-in will not be allowed. Scrapie Flock ID numbers must be presented at the time of check-in before an approval card can be issued. This number is not the same as the National Premise ID.

All livestock except Poultry and Horses will require a National Premise ID prior to showing at the State Fair. *No exceptions.* For those exhibitors showing multiple species only one premise ID is needed if on the same farm. The Premise ID must be included on the Entry Form at the time it is submitted.

Drug testing may include the following drugs: Furosemide; Bumetanide; Boldenone; Nandrolone; Flunixin; Phenylbutazone; Dexamethasone; Isoflupredone; Flumethasone; Methylprednisolone; Azaperone; Acepromazine, Chlorpromazine, and other tranquilizers; Clenbuterol; Balbuterol; Terbutaline; Albuterol; Isoetharine. Paylean is labeled for swine only, Optiflex is labeled for feedlot cattle only. Paylean and Optiflex are illegal for use in sheep and goats.

The health regulations of the Veterinary Division of the NC Dept. of Agriculture will be strictly enforced. Any questionable health problems will be referred to the Show Veterinarian, show committee, and/or the State Veterinarian. Animals with obvious abscesses (opened or unopened), ringworm, soremouth or any other contagious disease WILL NOT BE ALLOWED IN THE BARN.

Drug and Chemical Compounds Policy for All NCDA&CS Sponsored Fairs, Exhibitions, and Events

The use of any drug and/or chemical compound in any manner that is not approved by the FDA, including but not limited to indications and directions on species, age, dosage amounts and/or withdrawal times, is illegal and prohibited.

The owner, exhibitor, fitter, trainer and/or absolutely responsible person **must notify the show management prior to admittance** into the livestock barns of any animal that is being **administered drugs** or chemical compounds in accordance with approved FDA guidelines **for the sole purpose of protecting the health of the animal**. Acceptance of the animal for exhibition will be at the discretion of the livestock superintendent and the show veterinarian and will depend on such factors as the nature of the drug or chemical compound and justification by an accredited veterinarian with a valid client-patient relationship. **Regardless, livestock will not be allowed to exhibit if use of any drugs or chemical compounds will affect the animal's performance or appearance at the event.**

Owners, exhibitors, fitters, trainers and/or absolutely responsible persons will be held accountable for the presence of any violative drug residue from their animal and subject to the disposition as specified below:

1. Findings of **proof in intentional use** of any drug or chemical compound in a manner described as illegal and prohibited by the Policy on use of Drugs and Chemical Compounds will result in immediate disqualification, forfeiture of all premiums and prizes, market value of the animal (in the case of market animals), and a **life-time ban** on exhibiting in NCDA&CS sponsored events.
2. If proof of intentional use of any drug or chemical compound in an illegal and prohibited manner cannot be found on an animal that has been demonstrated by the above detailed laboratory methods to have the presence of such a substance, a **first time offense** for a positive test will result in immediate disqualification, forfeiture of all premiums and prizes, market value of the animal (in the case of market animals), and a **one-year prohibition** on exhibiting in NCDA&CS sponsored events by the exhibitor of the positive animal. A **second time offense** by that

exhibitor for any drug or chemical compound in a manner described as illegal and prohibited will result in immediate disqualification, forfeiture of all premiums and prizes, market value of the animal (in the case of market animals), and a **life-time ban** on exhibiting in NCDA&CS sponsored events by the exhibitor of that positive animal.

Cattle - Dairy and Beef

All cattle from out-of-state exhibitors must be accompanied by an official health certificate issued within 60 days of entry signed by an accredited veterinarian or an approved state or federally employed veterinarian. The health certificate should contain the following:

1. Name and address of exhibitor.
2. Description of each animal including breed, age, sex, and registration, tattoo, or ear tag numbers.
3. A statement by the veterinarian signing the health certificate that the cattle listed are not infected with, nor have been recently exposed to, any communicable disease to the best of his/her knowledge.
4. Information relating to brucellosis.
 - A. Those cattle which are native to North Carolina need not be tested. (Native meaning those cattle which were born in North Carolina or which have met North Carolina import requirements.)
 - B. Cattle originating from any certified Brucellosis free herd, regardless of the state of origin, may enter North Carolina, provided the following information is recorded on the official certificate.
 - (1) the individual identification of each animal;
 - (2) the herd certification number;
 - (3) the date of the last herd test; and
 - (4) a permit when otherwise required in the rule.
 - C. Cattle imported from a Class Free State shall originate from a herd not under quarantine and need not be tested.
 - D. Cattle imported from a Class A State shall originate from a herd not under quarantine and pass a negative official blood test within 60 days of entry into North Carolina.
 - E. Notwithstanding any other provisions of this Rule, a Brucellosis test is not required for steers or spayed females and no test prior to entry into the state is required of:
 - (1) Cattle under eight months of age;
 - (2) Dairy heifers under 20 months of age officially vaccinated against Brucellosis; and
 - (3) Heifers of the beef breed less than 24 months of age and officially vaccinated against Brucellosis.
5. Information relating to tuberculosis

A test for tuberculosis is not required for cattle which are native to North Carolina. Any cattle over 6 months of age not originating from a Tuberculosis Free state shall be required to have an official tuberculosis test within 60 days of entry, unless from an accredited herd.

Swine

Swine from out-of-state exhibitors (including market hogs) must be accompanied by an official health certificate issued within 60 days of entry signed by an accredited veterinarian, or an approved state or federally employed veterinarian. The health certificate should contain the following:

1. Name and address of exhibitor.
2. Description of each animal including age, sex, breed, and any registrations, ear tag, or ear notch numbers.

3. A statement by the veterinarian attesting that the swine listed are not infected with, or have been recently exposed to, any communicable disease to the best of his/her knowledge.
4. Statement by the veterinarian that all breeding swine in the consignment originate from a PRV Stage IV or V state or a Validated Brucellosis-Free and Qualified Pseudorabies-Free Herd. The herd validation qualification numbers must be listed. This requirement does not apply to market hogs.

Goats

Goats from out-of-state exhibitors must be accompanied by an official health certificate issued within 60 days of entry signed by an accredited veterinarian or an approved state or federally employed veterinarian. The health certificate should contain the following:

1. Name and address of exhibitor.
2. Description of each animal including breed, age, sex, and any registration, tattoo or ear tag numbers.
3. A statement by the veterinarian signing the health certificate that the goats listed are not infected with, or have been recently exposed to, any communicable disease to the best of his/her knowledge. The health certificate shall contain a statement that the flock of origin has not had Scrapie diagnosed within the past 42 months. All goats must comply with USDA Scrapie Eradication Program guidelines. **All goats must be appropriately identified and comply with USDA and NCDA&CS Scrapie Eradication Program Guidelines. Call 1-866-USDA TAG (873-2824) or 919 855-7707 for more information.**
4. *Any animal showing evidence of suspicious fungal lesions must have a signed veterinarian's statement on the health certificate with the date and type of treatment.*
5. Goats over six (6) months of age and sexually intact imported from out of state must have a negative brucellosis test within 30 days prior to import. All imports over six (6) months of age must have a negative tuberculosis test within 60 days prior to import unless they originate from a certified and accredited herd or are consigned for immediate slaughter. ****The brucellosis and tuberculosis testing requirements shall not apply to goats entering the state only for exhibition purposes from states that are USDA Tuberculosis Accredited-Free and Brucellosis Certified free, when accompanied by an official health certificate. Such animals shall remain in the state for exhibition purposes for no more than 30 days from the date of issuance of the health certificate.**

Sheep

Sheep from out-of-state exhibitors must be accompanied by an official health certificate issued within 60 days of entry by an accredited veterinarian, or an approved state or federally employed veterinarian. The health certificate must contain the following:

1. Name and address of exhibitor.
2. Description of each animal including age, sex, breed, or cross registration numbers, tattoo or ear tag numbers.
3. A statement by the veterinarian signing the health certificate that the animals listed are not infected with, or have been recently exposed to, any communicable disease to the best of his/her knowledge. The health certificate shall contain a statement that the flock of origin has not had Scrapie diagnosed within the past 42 months. **All sheep must be appropriately identified and comply with USDA Scrapie Eradication Program guidelines. All sheep must be appropriately identified and comply with USDA and NCDA&CS Scrapie Eradication Program Guidelines. Call 1-866-USDA TAG (873-2824) or 919 855-7707 for more information.**
4. *Any animal showing evidence of suspicious fungal lesions must have a signed veterinarian's statement on the health certificate with the date and type of treatment.*

5. Sheep over six (6) months of age and sexually intact imported from out of state shall have a negative brucellosis test within 30 days prior to import. All imports must have a negative tuberculosis test within 60 days prior to import unless they originate from a certified and accredited herd or are consigned to immediate slaughter. * *The brucellosis and tuberculosis testing requirements shall not apply to sheep entering the state only for exhibition purposes from states that are USDA Tuberculosis Accredited-Free and Brucellosis Certified free, when accompanied by an official health certificate. Such animals shall remain in the state for exhibition purposes for no more than 30 days from the date of issuance of the health certificate.

Llama

Notice for out-of-state entries: Llamas must have a health certificate issued within 30 days of the show.

OTHER ANIMALS ENTERING THE FAIRGROUNDS

Any animal of the above species entering the fairgrounds *regardless of their purpose of entry* must meet the requirements that are listed above for that species. All equidae, six months old and older, must be accompanied by an official negative test for Equine Infectious Anemia within 12 months of entering the fairgrounds. This includes equidae in pony rides, exhibits, petting zoos, and competition events.

Animals categorized as exotic in North Carolina include bison, buffalo and all other bovidae (other than domestic cattle), camelids (llama, alpaca, camel), must be accompanied by a health certificate issued within 60 days by an accredited veterinarian or an approved state or federally employed veterinarian. The certificate must show individual identification. Animals from out-of-state must have negative test results for brucellosis within 30 days and tuberculosis within 60 days for all animals six months old and older. (Llamas, vicunas, alpacas, and guanacos are exempt from Tuberculosis and brucellosis testing.) The certification statement "***The herd of origin has had no brucellosis or tuberculosis diagnosed within the past 12 months***", must be included on the certificate.

EXHIBITS AND EXHIBITORS

Only vehicles operated by the Fair management will be allowed in the barn area.

The Fair management will use diligence to ensure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits). All stalls and pens (except entries in Special Exhibits) will be well bedded one time by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals and excessive leanness, in which conditions are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. Boars over one year of age must have their tusks removed.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, including the use of steroids and other drugs, as well as lifting, dyeing or filling under the skin, will be considered fraud and deception. The North Carolina State Fair Management reserves the right to test the grand and reserve champion barrow, steer, and wether, and to conduct other random testing as deemed appropriate. The grand and reserve champions may be sampled at the fair. Exhibitors involved in any such treatment will be barred from exhibition at this Fair, and all Fairs holding membership in the International Association of Fairs and Exposition will be notified.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be deposited where directed by the Superintendent of Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor, except for some Junior Exhibitors. The Fair management will not pay any charges for express, freight, or drayage.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Exhibitors are not allowed to make substitutions between breeds. One substitution may be made within the breed.

JUDGES AND AWARDS

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONIES IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "First", "Second" and "Third". He would receive only the first and second premium monies, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in the case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Director by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the fair if the protest is not sustained by an impartial protest committee appointed by the General Livestock Director. No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his/her discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

HERDSMEN'S CONTESTS

Special prizes will be awarded in contests for herdsman, shepherd and caretakers of animals in some livestock departments. All herdsman will automatically be considered entrants and no special entry is required. Judges will be assigned by the Livestock Director. **The contests will start at a time designated by each Department.** The following score card will serve as the basis for the judges in the Herdsmen's contest making their decisions.

Condition and cleanliness of herd or flock	20
Cleanliness of stalls/pens and alleyways	20
Signs indicating where the animals are from and who is showing them	20
Educational material or other displays that will interest the general public	20

GENERAL JUNIOR LIVESTOCK RULES

JR. HERDSMEN'S and JR. SHEPHERD'S CONTEST

A Herdsmen's Award will be given in three categories: one for Junior Beef Cattle (steer and heifers together), one for Junior Sheep (market lambs and ewes together) and one for barrows. All herdsman are automatically considered as entrants and no special entry is required.

The contest will start on opening day of the fair and winners will be announced when livestock are released.

The following score card will serve as the basis for the judges in the Herdsmen contest making their decisions.

Condition and cleanliness of herd or flock	20
Cleanliness of stalls/pens and alleyways	20

JUNIOR SHOWMANSHIP CONTEST

A Junior Showmanship Contest will be held for each species. The premium classes and age breaks for each species are outlined in each Junior Livestock Department. The selection committee will select exhibitors on the following criteria:

Showmanship and Animal Handling	60%
Showmans Appearance and Neatness	15%
Fitting of Animal	<u>25%</u>
	100%

GENERAL

Beef animals must have a legible, fully healed tattoo matching its identification papers.

NOTE: No entries will be taken by telephone.

SALE OF CHAMPIONS

SALE COORDINATORS:

BARROWS - BRUCE SHANKLE, NCDA&CS
LAMBS - BEN CARPENTER, NCDA&CS
STEERS - BEN CARPENTER, NCDA&CS

JUNIOR MARKET BARROW SALE

1. The Grand Champion and Reserve Grand Champion Junior Market Barrows will be sold at auction, by the head, in the sale of champions at 11:00 a.m., Saturday, October 17, 2009 in the Graham Building Sales Arena.
2. All Jr. Market Barrows must go on the truck.
3. The packer load will be sold to the highest bid on Friday, October 16, 2009. Anyone interested in bidding *must* contact Bruce Shankle before October 16, 2009.

JUNIOR MARKET BARROW SALE GUIDELINES

1. Barrows will be sold by *tag order* (example: tag #2, tag #7, tag #8...etc)
2. Barrows will be sold by the head to highest bid.
3. Support price, by the head, will be listed in the sale guide.
4. Buy at X-amount, be invoiced for the difference between purchased amount and packer value

JUNIOR MARKET LAMB SALE

1. **All lambs which are entered and qualify to show will be sold. The first lamb checked in by an exhibitor will be auctioned off on Saturday after the sale of Champions. If an exhibitor checks in a second lamb, that lamb will be sold at packer support price and will go on the truck Sunday. No market lambs that qualify to show will be taken home!**
2. Auction will begin at 11:00 a.m., Saturday, October 17, 2009. Exhibitors may sell only one lamb in the auction sale.
3. Exhibitors with two entries must turn in their second lamb to the *packer* at the support price. The packer load will be sold to the highest bid on Friday, October 16, 2009. Anyone interested in bidding on the packer load must contact Ben Carpenter prior to October 16, 2009.
4. Any artificial means of removing or remedying physical defects or conformation in exhibition animals, including the use of steroids and other drugs, as well as lifting, dyeing or filling under the skin, will be considered fraud and deception. The North Carolina State Fair Management reserves the right to test the grand and reserve champion lamb, and to conduct other random testing as deemed appropriate. The grand and reserve champions may be sampled at the fair. Exhibitors involved in any such treatment will be barred from exhibition at this Fair, and all Fairs holding membership in the International Association of Fairs and Exposition will be notified.
5. Sale order will be: Grand Champion, Reserve Champion. All other lambs to be auctioned will be sold in the order they were checked in.
6. Lambs that are auctioned will be sold by the head to the highest bidder. Support price, by the head, will be listed on the sale order.

7. Exhibitors must care for their lambs until they are released to their buyer at 8:00 a.m., Sunday, October 18, 2009. Any exhibitor whose lambs are removed from their assigned pen prior to release time will forfeit all premiums.
8. Questions not covered specifically herein shall be handled by the sale coordinator.

JUNIOR MARKET STEER SALE

1. Only steers in the Junior Market Steer Show are eligible for sale which will be at 11:00 a.m., Saturday, October 17, 2009.
2. The Grand and Reserve Champion Market Steer will sell first. All other Junior Market Steers are eligible for the sale.
3. Exhibitors may sell only one steer in the sale and a second steer may be turned in at packer bid. Exhibitor must designate at check in which steer they wish to sell at auction and which steer they wish to turn in at packer bid. Any steer except grand or reserve champion may be retained by the exhibitor. Steers that exhibitor wishes to keep must be designated at check-in on Thursday, October 15, 2009. Any artificial means of removing or remedying physical defects or conformation in exhibition animals, including the use of steroids and other drugs, as well as lifting, dyeing or filling under the skin, will be considered fraud and deception. The North Carolina State Fair Management reserves the right to test the grand and reserve champion steer, and to conduct other random testing as deemed appropriate. The grand and reserve champions may be sampled at the fair. Exhibitors involved in any such treatment will be barred from exhibition at this Fair, and all Fairs holding membership in the International Association of Fairs and Exposition will be notified.
4. The floor price for the steers will be sold to the packer on carcass merit (i.e. Grade and Yield). Each seller will receive the actual value of their steer or steers minus freight and sale expenses.
5. The Grand and Reserve Grand Champion Steers will be sold by the head. All other steers will be auctioned on dollars per head above packer value.
6. Exhibitors must care for their steers until they are released to their buyer at 8:00 a.m., Sunday, October 18, 2009. Any exhibitor whose steer is removed from their assigned tie area prior to release time will forfeit all premiums.
7. Any steer carcass that is discounted by the packer for being abnormal or containing drug residues will be docked to the seller.
8. Questions not covered in these rules shall be handled by the sale coordinator.

IAFE

(INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics", fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction

proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- 1) All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- 2) Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- 3) Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- 4) Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

- 5) Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 6) The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 7) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

- 8) No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- 9) The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 10) The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expos* and any special notices to members.
- 11) The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

LIVESTOCK HALL OF FAME

The Livestock Advisory Board has approved the creation of the North Carolina State Fair Livestock Hall of Fame to recognize and honor outstanding supporters of the Fair. Individuals will be inducted each year, beginning with an inaugural ceremony during the 1980 Fair, based on their activities supporting the Fair and their length of service.

Candidates for induction can be producers of livestock that have exhibited and promoted livestock shows at the fair, or a person who has served as a fair employee, representative of business, extension workers and others from agricultural organizations. Their contributions have occurred in the past as well as the present, and deceased nominees will be considered.

Pictures of the inductees will be framed and displayed in the Jim Graham Building
