You are encouraged to pre-register any and all items that you might have to exhibit. You can enter using a hardcopy entry form or you can register online. Entry forms are located in the back of the State Fair premium book or online at [www.ncstatefair.org](http://www.ncstatefair.org) under the Competitions tab. Entry forms must be filled out completely, accurately and legibly. Social Security numbers are REQUIRED for all exhibitors in order for premium monies to be awarded.

Online entries must be submitted by midnight September 30, 2011. Printed entry forms must be postmarked by Friday, September 30, 2011. You may hand deliver your entry form to the Entry Office at: 1025 Blue Ridge Road on or before Friday, September 30 at 5:00 p.m.

An exhibitor may enter as many classes as desired. However, each exhibitor may submit only one exhibit in each class and no exhibit may be entered under more than one class.

### **Bringing your entries:**

All exhibits must be delivered to the Flower House Building by entering through Gate 6 off Youth Center Road. Free parking is available in a designated parking area just outside

the Flower and Garden Show. Entries for the Second and Third Show, while the fair is in operation, must also enter through Gate 6. Free entry is provided for unloading purposes only. Your Exhibitor tags can be picked up from the Flower House when you bring in your entries.

You should bring your exhibits (gourds, garden art, scare-crows, container grown plants, hanging baskets) on the following schedule. Other times may be arranged by contacting the Flower Show Superintendent in advance.

Sunday, October 9, 1:00-5:00 p.m.

Tuesday, October 11, 9:00 a.m. to 2:00 p.m.

Wednesday, October 12, 9:00 a.m. to 2:00 p.m.

**Other exhibits** (cut foliage, cut flowers, flower arrangements and design, youth exhibits, herbs, commercial florist displays) for the First Flower Show must be submitted to the Flower House Building between 8 a.m. - 2 p.m. on October 13. Exhibits for the Second Flower Show must be submitted between 8 a.m. - 2 p.m. on October 17. Exhibits for the Third Flower Show must be submitted between 8 a.m. - 2 p.m. on October 20.

Cut horticultural specimens should be exhibited in containers provided by the Flower and Garden Show. If an exhibitor uses his/her own container, that container may be discarded if deemed unsuitable by the Flower Show Superintendent (e.g. dark glass bottle with writing) and another substituted. Exhibitor-provided containers for cut specimens will not be returned. The length of a cut specimen is measured from growing tip to cut end.

It is suggested that in conditioning your cut flowers for exhibit, they should be cut early in the morning, placed in warm water (120-140 degrees F) and allowed to cool to room temperature. To keep them overnight, they should be kept in a cool place. Do not strip all of the leaves. Do not have leaves below the water line. Use a clean container. Flower preservatives may be used. Cut stems longer than required. Trim to proper length during the entry process.

All entries must be the work of the exhibitor and grown (except for those used in designs or flower arrangements) or made (including designs) in the current year. No artificial flowers or foliage are allowed without prior approval of the Flower Show Superintendent.

Every effort will be made to prevent theft and/or damage. The NC State Fair and the Flower Show Superintendent assume no responsibility for the loss of personal property of the exhibitors.

### RULES FOR GARDENS

All exhibitors must submit an entry form to the NC State Fair Entry Department by September 30, 2011. Gardens may be started anytime after the third weekend in April and must be completed by noon on October 12. Gardens are to be started no later than Labor Day unless an extension has been granted in writing by the Flower and Garden Show Superintendent.

The gardens are to be educational, artistic and functional. No artificial plant material is allowed. All exhibitors must install at least two spotlights in each garden for night lighting.

A 24" x 24" plot plan board will be provided. Information to include on the board: garden theme, garden concept statement, name of exhibitor, plot plan, list of plants, and exhibitor's entry tag. Correct common names of plants must be provided. Botanical names should be included. The Garden Concept Statement (100 words or more) should explain what the gardener is trying to accomplish. The exhibitor's name must be masked from the judges' view prior to judging. Masking will be removed after judging is completed.

An appropriate sign may be used to acknowledge suppliers and donors. The sign is to be placed in the garden after judging and in a manner not distracting to the garden. NO signs will be allowed on the fence(s). Any sign or material deemed distracting and/or inappropriate by the Gardens Chairman and/or Flower and Garden Show Superintendent will be removed. An approved sign may also be placed in the garden after judging indicating that "Some plants will be for sale after 10:00 a.m. on the Monday following the State Fair".

Exhibitors must clean, water and replace dead materials in the gardens daily. Pumps, fountains, and lights are to be maintained in good working order.

No exhibitor may enter the grounds for garden clean-out before 10:00 a.m. on Monday, October 24.
