RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Department. **MAKE YOUR ENTRIES EARLY!!** The right is reserved to reject entries received after all available space is taken and after the closing date.

Enter online at www.ncstatefair.org. If using paper entry, use separate forms for making entries in other departments and separate forms for the Junior and Senior Shows. Be sure to fill in the application form completely, accurately, and legibly. Give your rural route number, post office box number, or city street address, zip code, social security or federal ID number.

Entries in the Open Show must be made in the name of the exhibitor shown on the registration certificate as the owner and must conform to the breed percentages recommended by the respective breed association.

The exhibitor and breeder of an animal are defined as follows: "Where the animals are registered in the name(s) of different members of a family, residing on one farm and when the herd is one unit, all entries may be considered as a single exhibitor."

Animals owned in partnership or by a syndicate may be shown in the name of the partnership or syndicate only; except that at the time of entry a determination shall be made that such animals will be shown in the name of one partner or syndicate member and shown in the same way in group classes.

Exhibitors are not allowed to make substitutions between breeds. Two substitutions per exhibitor may be made within a breed.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, including those to be used for gear, feed and bedding. No fee is required for entries exclusively in the Junior Show. Junior entries wishing to show in the open show will be required to pay entry fee in accordance with open show registration. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List the class number, as indicated in the premium list, for which each entry is made. Enter each animal separately.

List the name and registry number of each animal entered, its date of birth, and its sex. Bring your registration certificates to the Fair; they must be shown at any time if requested by the Superintendent. Registration papers will be required at the time of show of all group classes.

All animals must be registered with their respective breed associations in the name of the bona fide owner and breed percentages must conform to breed association standards. No animal will be allowed to show if registration of animal is pending.

In breeding classes, to be eligible to show, all cows 36 months of age or older must have produced a calf carried to maturity within the last 12 months prior to the opening date of the Fair. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirements, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

FEES

Entry fees are required for all entries in the senior and open classes of the livestock Division. Entries exclusively in the junior livestock shows are not subject to entry fees. There is a \$5.00 processing fee for all paper entries.

All applicants for entries must be noted on the entry form, **AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM.** Reservations will not be made unless accompanied by the required fee and **REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.**

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall space; thereafter, should additional space be available, display animals will be assigned stall space.

HERDSMEN'S CONTEST-Section 107

PREMIUMS Herdsmen 1st \$100

Honorable Mention \$50

All herdsmen in charge of dairy animals entered in the Senior "Open" Show will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of animals on exhibit. The contest will start Thursday, October 19 at noon and will continue until noon Sunday, October 22 at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division. A display is not required and has been removed from criteria of dairy herdsmen contest.

HEALTH REGULATIONS

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Any and all animals not meeting the entry requirements, unthrifty nature, unsuitable condition and/or exhibiting any signs of disease or illness, may be refused entry, required to be isolated and/or required to be returned to the farm of origin. During the duration of the Fair, any and all animals of unthrifty nature, unsuitable condition and/or exhibiting any signs of disease or illness or found not to have met entry requirements after entry may be required to be isolated and/or returned to the farm of origin.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING FACILITIES

Facilities for milking will be available for exhibitors with lactating cows. Exhibitors are encouraged to use these facilities and avoid milking cattle in open pails in the barn. Milking cows are subject to milk sampling for antibiotic residues. Anyone caught adding milk containing antibiotics to the bulk tank will have premiums withheld. The facility will open Thursday, October 19, at 5:00 a.m. and will close Monday, October 23, at 5:00 a.m.
